To grow in Christ, serve Christ and share Christ

w e l c o m e

In today's society, there is a lot of discussion on identity, self-image, self-worth, and self-esteem. There is confusion as people look to discover who they are, as well as frustration, when their self-worth falls far from expectations, affecting their self-image and self-worth. Are these discussions important? Does the Bible have anything to say about all this?

We are delighted that you are here to worship with us this morning.

Creche space is available at the back of the main hall and in the church house. All our activities are in recess and will resume February 2025. Our upcoming services and homegroup details are on the back page.

If you are a disciple of Jesus and understand the symbolism and purpose of the Holy Communion, we invite you to join us for communion.

Please stay for morning tea after the service. We would love the chance to get to know you better.

We wish you and your family a blessed Christmas and Happy New Year.
